

Agenda for Week 14: November 13-17, 2017

As we continue our studies of the Middle East, we are now discussing the three types of economic systems, the benefits of voluntary trade, and the functions of OPEC, and factors that influence economic growth all in relation to specific areas in the Middle East.

This is what we plan to accomplish this week. Please check my “Daily Blog” on my webpage to see what was completed each day. If students are out, they should check the blog to work on what they have missed if possible.

SS7E5 Explain how voluntary trade benefits buyers and sellers in Southwest Asia (Middle East).

- a. Explain how specialization encourages trade between countries.
- b. Compare and contrast different types of trade barriers, such as tariffs, quotas, and embargos.
- c. Explain why international trade requires a system for exchanging currencies between nations.
- d. Explain the primary function of the Organization of Petroleum Exporting Countries (OPEC).
